Aloha Leeward Faculty and Staff,

At today's BOR meeting, there were three important approvals for Leeward Community College.

1. **Unanimously Approved:** The Establishment of a Provisional Associate in Science in Health Information Technology Degree (HIT) (effective Fall 2012). Mahalo to Kay Ono (Business Technology), Patrice Jackson (Workforce Development Coordinator/ Health Technology Programs, Ron Umehira (Dean of Career and Technical Education), Mike Pecsok (Vice Chancellor for Academic Affairs), and all participating faculty in the Business Division and OCEWD who made this proposal possible.

2. **Unanimously Approved:** Leeward Community College's Revised Mission Statement (effective June 1, 2012). Mahalo to the members of the Chancellor charge committee from the Faculty Senate, Campus Council and Student Government whose efforts made this successful revision possible.

3. **Unanimously Approved:** The Establishment of a Provisional Associate in Arts Degree in Hawaiian Studies for all community colleges. This is a milestone representing the first time that a single degree has been approved for all 7 CCs at the same time.
