**What I liked about this session...**
- Working with others on the standards.
- Work collaboratively.
- We accomplished a lot of work.
- Lunch, time to work on the document.
- More people turned out than I expected.
- Helped toward completing Draft 2.
- Good to brainstorm.
- Working with great faculty; collaborating on ideas.
- The work day gave us a set time to actually write & improve the report.

**What I learned in this session...**
- I don’t know much!
- I learned more about the units on campus, their services, how our campus is doing/performing.
- Got to get started earlier...couple years earlier.
- More work to be done.
- We’ve still got gaps.

**Suggestions/recommendations for improvement...**
- More work days. Need input from direct parties/units who have the info we need for the accreditation.
- Nothing – great!
- I wish we had more time...years.
- ?
- More days like this to get the report done.
