Aloha Leeward Faculty and Staff

As we move forward into the fall semester, I wanted to share with you the college’s plans for further communicating the revised mission statement. We all got a chance to review the mission at convocation, and now we want to publicize the mission statement across the campus.

Every faculty and staff member will be receiving a custom-designed calendar for the fall 2012 semester with the mission statement. Please feel free to post this calendar in your office as a way to revisit the mission statement and also to check on important campus dates.

We will also be framing large posters of the mission statement to be presented in division and unit offices and other public areas such as the student lounge and Learning Commons. We appreciate the assistance of the division and unit office staff in having these framed posters appropriately displayed.

The mission statement, along with the vision and core values, drives our decisions at Leeward CC. Thank you for joining me in publicizing this important statement of who we are and what we represent.

Mahalo nui,
Manny Cabral
